

# PRIMARY PE & SPORT PREMIUM CONFERENCE '17

A big thank you to all 148 delegates who travelled from across the Black Country to the Molineux Stadium in Wolverhampton for this year's Primary PE and Sport Premium Conference. This year's conference aimed to support schools in developing a sustainable legacy, enhancing the impact of the funding and supporting their workforce.

All presentations for the day are available on the **Active Black Country** website. Congratulations to **Joanne Cureton** who was our Marketplace Challenge Winner. Joanne wins some YST PE resources, an afPE membership and tickets to a Worcester Country Cricket game.

A great document for schools which can support the check and challenge process #BCPPSPConference17

92% of delegates stated the Conference workshops were good or very good at meeting their needs

"It's lovely to have grass roots practitioners sharing their ideas rather than someone who thinks they know how to assess and track PE from a book. Real people sharing doing the job and networking is the way forward!"
